11 May 1987

MEMORANDUM TO: All NIOs

FROM: Maj Gen Frank B. Horton III, USAF
Chairman, National Intelligence Council

SUBJECT: Production Schedule

1. Attached for your review and discussion at the Tuesday 12 May staff meeting is a copy of a production projection that I would like to see in generic terms from each NIO. A model such as this should be used to build a schedule that is tailored to a particular region or function in an array of priorities that spreads projections through the end of the production plan in September 1988.

2. Projections for your account should be forwarded [redacted] by 28 May 1987 so that we may proceed with plans to collate a draft that we will coordinate with the DDI Research Plan and then circulate to NFIB principals for comments. 25X1

3. Sensitive papers may either be included in your projection or discussed with Graham, Fred, and me. Such estimates will not be included in the draft Plan or published in the final version.

[redacted] 25X1
